

Puffin Concerts across Canada and beyond ! with Juno Award Winner Peter Lenton, B.Ed.!

Concert #1 ***Proud to Be Canadian!***

By Juno Award Winner ***Peter Puffin's Whale Tales!***

Highly interactive guitar sing-along concerts for public shows and school communities celebrate being blessed to be Canadian, and your requested themes. Join Peter Puffin for an inspiring blend of sing-along songs and sensational stories from two decades of touring our gorgeous coast-to-coast.

Celebrate the 5 senses and 5 W's... especially the **why** we are (un-
apologetically) Proud to be Canadian! Tailored for your region, and
public/school community, perfect for pre-school to Grade 6 ages, plus
parents and kid hearts of all ages!

Audience volunteers have the freedom of choice (one of Peter's definitions of
being Canadian!) to help lead songs, play percussion instruments, wear WILD
animal costumes, and maybe even join in on some 'live' songwriting! True
Canadian stories, and curriculum-tied follow-up activities for schools!

Concert #2 ***Kids Care about Climate Change!***

Let us celebrate the actions we can take to help reverse climate changes... both locally and globally!
Interactive music is the best bridge to raising awareness, building knowledge and taking action... for
nature-loving kid hearts!

Peter's songs and stories, and follow-up curriculum-tied activities, will plant the seeds of environmental,
language literacy and numeracy that will last a lifetime. Another bonus of having Peter finesse a
mutually respectful concert atmosphere, is hearing new songs from his latest ***Campfire Time!*** album!
