

Four NEW Puffin concerts for your Best School Year Ever!

#1 Rocket Kids - Reach For the Stars!

Blast off into the new school year with a highly interactive, guitar singalong concert, that brings the whole school community together, for a values tone setting celebration of curiosity, creativity and cool kids discovering their talents!

We will tailor-make the show based on your latest school-wide themes. And include a follow-up activity booklet that keeps reinforcing the concert's language literacy, science and social studies learning outcomes during the whole year!

Exciting options - Consider a full day of language literacy "Songwriting Workshops + Concert" combo. And / or we can also help you prepare an AFA artist-in-residence 50-75% grant application for the April 1st deadline)

#2 Tapping the Power of Clean Energy & The Energy in Me!

If kids ruled the world, what a wonderful place it would be! Students know green energy sources need to be developed to maintain the magnificent biodiversity of living things that call our precious planet home.

Join Juno Award winner Peter Puffin, and celebrate the amazing heart energy of kids, with an interactive, guitar singalong concert and /or songwriting workshop that explores the unlimited ways we can all live cleaner & greener in our communities... While conserving traditional carbon-based sources of energy!

Toll-free 1 (888) 878-3346 & peter@puffin.ca & www.puffin.ca

Four NEW Puffin concerts for your Best School Year Ever!

#3 The Wonder in Me... Cool Kids Are Creative!

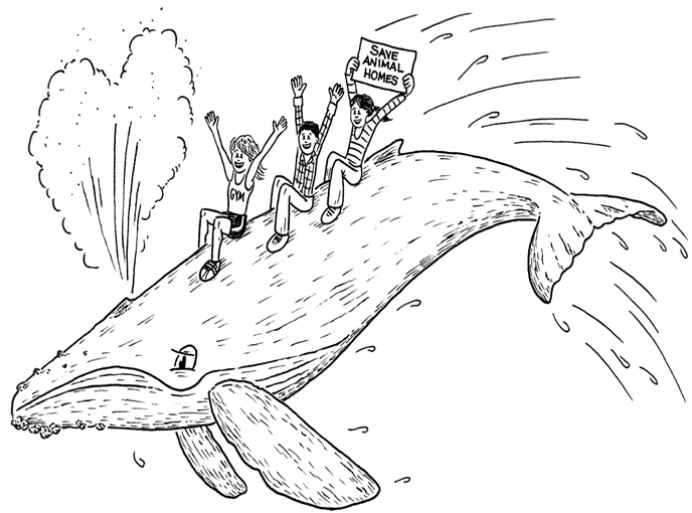

Experience the precious school community singing, percussion instruments, live songwriting and WILD animal costumes of an award winning Puffin concert... Blended with celebrating 21st Century literacies & themes like: creativity, belonging, curiosity, perseverance, discovering talents, resilience, innovating and collaboration!

Play to learn and learn to play, with concert songs and follow-up activities that reinforce science, LA, and social studies learning outcomes, all year long!

#4 Living Rivers Giving Trees! Taking Aqua Action!

Celebrate our life sustaining rivers and oxygen giving trees, in this rollicking interactive show that helps students explore the precious nature of water... from our local rivers, and the rich habitat homes offered by trees... all the way to the sea. Encourages students to tap their caring natures, with a highly interactive concert experience, plus action-oriented, curriculum-tied follow-up activities!
